How Long Should Each Test Take?

Recommended Time: About 90 minutes

But take the time you need—understanding matters more than speed!

Each practice test has 40 questions. Most students complete it in about 90 minutes, but there's no rush! Take your time to read each question carefully and show your work.

Track Your Progress

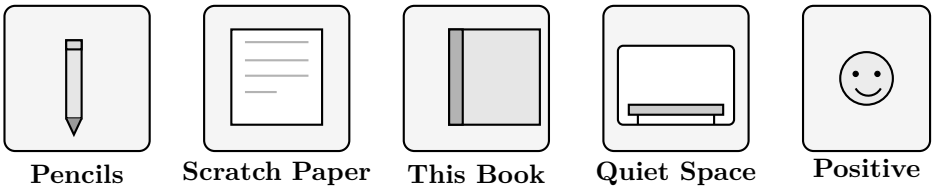

Check each box when you complete a test. Can you complete all 7?

Smart Study Tips:

- **Stay focused**—avoid looking at answers during the test
- **Skip challenging questions** and return to them later
- **Read carefully**—every detail matters!
- **Show your work** on scratch paper

What You'll Need

You're Ready to Begin!

You have everything you need to succeed on the Common Core. Each practice test will build your skills and confidence.

Remember: Progress, not perfection, is the goal!
